Client

Common Wealth of
Kentucky Finance and
Administration
702 Capital Avenue
Frankfort, KY 30601

The purpose of this project was to perform detailed a topographic mapping of the ACTC at Eastpark. The project scope consisted of location of existing utilities and structures, as well as existing features such as curb, gutter, ditches, and etc.. The survey was based on the KY State Plane Coordinate System. Final deliverables consisted of AutoCAD DWG file on CD as well as mylar originals.
