In 2007 Howerton Engineering & Surveying was contracted to design turn lanes for the Coca-Cola proposed Industrial Park Access Road located in Clay Township in Scioto County, Ohio. The scope of the project consisted of:

- ◆ Topographic mapping of the US 23 corridor
- ◆ Coordinate meeting with the ODOT
- ◆ Geometric design of turn lanes for acceleration, deceleration, and storage
- ◆ Grading and drainage design for the proposed turn lanes
- ◆ preparation of plans and specifications
- ◆ Send plans to ODOT for approval

Project Cost

\$200,000
